

## Cutting Edge Biology: Genetics

Bring cutting edge biology into your secondary classroom with talks and an interactive session.

As part of Techniquest's partnership with the Wales Gene Park a one day genetics CPD workshop for teachers has been organised. The day will include a series of talks on topics relevant to the WJEC AS/A-level biology curriculum (including *pharmacogenomics; stem cells; the use of genomics in healthcare and the 100,000 Genomes Project; plant genetics and GM crops*), followed by a short teachers' focus group.

**When?** Thursday 29th June 2017, 9.30am -3.30pm

**Where?** The Racecourse Stadium, Mold Road, Wrexham LL11 2AH

*Lunch and refreshments provided*

**Funding:** this course is subsidised by STEM LEARNING Ltd as part of their RCUK programme and so there is **NO COST** and **teachers will be eligible for a £180 ENTHUSE/RCUK bursary.**

**How to apply:**

Go to <https://www.stem.org.uk/cpd/386722/cutting-edge-biology>

**Places are limited so book as soon as possible to avoid disappointment.**  
*Places can only be booked via the above link.*
